FIRST CONTACT LENS

Earthlings should look through the First Contact Lens to see things as Aliens see them.

MARTIANS (3/3) ... see everything tinged with red.

TRALFAMADORIANS (9/6) ... love to introduce their fluid perception of time.

VULCANS (4/3) ... suppress their emotions

VOGONS (4/2) ... write very, very bad poetry MERCURIANS (2/6) ... deal with temperatures on a whole different scale

SATURNIANS (7/7) ... see rings everywhere

PIERSON'S
PUPPETEERS (6/4)
... are cowards, in
a constant state of
